John Martyn Memorial School (JMMS)
April 2026 School Report – Session 2026–2027

Greetings from JMMS,

We are happy to share with you the progress and highlights from April 2026 at John Martyn Memorial School.
At JMMS we nurture young minds with love, learning, and laughter, shaping compassionate leaders of tomorrow. Guided by our mission to provide quality education to children from all backgrounds, we strive to create a school where every child feels seen, valued, and inspired to dream big. Rooted in empathy and excellence, JMMS is more than a school — it's a family that grows together.

April 2026

- **2nd April – New Session Kick-off**

  The academic session 2026–2027 began with the distribution of books and uniforms.
  - **Uniform Vendor Finalized:** Earlier, parents had to source uniforms from different vendors, leading to inconsistent designs. We have now partnered with a single vendor who supplies uniforms at competitive rates on campus, ensuring uniformity, convenience, and affordability.
  - **Book Vendor Fixed:** Books and notebooks are now supplied through a dedicated vendor at reasonable prices, simplifying the process for parents and students.

- **4th April – SPIC MACAY Cultural Programme**
  We hosted an SPIC MACAY programme featuring **Satvik Veena by Pt. Salil Bhatt** & accompanied by Mr. Koshik Konwar on tabla. The children enjoyed this spiritual and soulful performance and engaged with Pt. Salil Ji with thoughtful questions, reflecting their curiosity and enthusiasm.

- **5th April – Earthian (Wipro) Initiative**

  - The **Earthian team from Wipro** visited JMMS with four interns from "Nanakmatta School" and "Sharda Mondal School", Goa. They conducted an interactive session on **bird watching**, after which JMMS has started regular bird-watching activities and is now registered on **eBird**.

- **6th April –Annual Day Participation**

- A team comprising five students of Class 5 along with two teachers attended the 67th Annual Day at Raphael's. The visit provided them with valuable exposure to performances and celebrations at other educational institutions

- **7th April – Book Fair & Puppet-Making Workshop**

    - Class 3 students with two teachers attended a **storytelling session** at the **Book Fair organised by the National Book Trust**. It was the first time many children experienced a book fair; they were encouraged to buy one book of their choice, fostering a love for reading.
    - Five teachers attended a **post-school puppet-making workshop** at the Book Fair. The session was highly enriching and provided creative ideas for classroom teaching and storytelling.

- **13th April – Baisakhi Celebration**

  We celebrated Baisakhi with a colouring competition involving students from different classes. The activity was designed to help children connect with the cultural and seasonal significance of the festival in a joyful and creative manner. Through the competition, students explored traditional motifs, harvest themes, and festive symbols associated with Baisakhi, while expressing their understanding through colours and designs. The event not only strengthened their awareness of Punjabi agricultural and cultural heritage but also encouraged artistic expression and class-wide participation in a spirit of celebration.

- **Traditional Food Festival (Nature Science Initiative – Himalayan Sustainability Championships)**

  Three JMMS students were selected for the **Traditional Food Festival** held at the **Renaissance Institute of Hotel Management, Ramnagar**.
  - **Participants:**

    - Agrim Verma – Class 4
    - Darshna – Class 3
    - Shivanya – Class 5

    The unique feature of the festival was that children cooked **alongside their parents and grandparents**, learning not only recipes but also the **stories, culture, and traditions** behind the dishes. This intergenerational experience strengthened family bonds and cultural awareness.

- **22nd April – Art & Craft Workshop at Pacific Mall**

  Twenty children with two teachers participated in an **Art & Craft Workshop** organised by **Pacific Mall**. The workshop included:
  - Diya painting
  - Drawing and colouring
  - Various craft activities

    The objective was to encourage **artistic expression, fine motor skills, and creative thinking** outside the classroom. All participating children were appreciated with **certificates and goodies** from the mall team. The experience was joyful, motivational, and enriching for our students.

- **30th April – Cleanliness Drive with ‘Let’s Do It’**
  On **30th April 2026**, our school joined hands with the local volunteer group **‘Let’s Do It’**, formed by **Ms. Kiren Kapoor, Ms. Zarine Bath, and Ms. Amrit Burret**, to clean the villages of **Bhagwantpur and Salangaon** and spread awareness about cleanliness. The group conducts cleaning drives every Sunday, and our students will now participate every **Thursday** to learn the importance of clean surroundings through **hands-on community work**. This initiative further strengthens our focus on civic responsibility, environmental care, and active citizenship.
